

Track Record

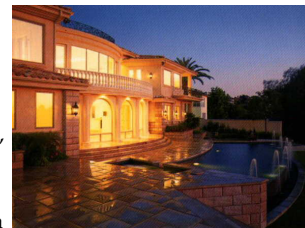

CHC has been the recipient of many industry leading awards, including: "Mark of Excellence Award Winner"-2000 Home Automation Association, "Top 50 Installers of the Year"-1999 Electronic House, "1st Place"-1990 National Builders Association, "1997 HA Pro System of the Month", and "1st Place"-1989 Street of Dreams. We have also been featured on TBS and ABC News, in articles in Electronic House Magazine, HA Pro Magazine, Smart Money, New York Times Magazine, and CE Pro, along with designing the technology in the cover homes of Audio Video Interiors, San Diego Home/Garden, and San Diego magazines.

"Miles of wire, tucked away where no one can see, link every electronic system in the house to one logic center hidden away in the basement... Working as a translator, the logic center created by national designer Max Greene, links security, climate control, audio, the pool, garage doors, fireplaces, the irrigation system, draperies, the phone system, and the home theater."

1997 HA Pro System of the Month – La Jolla, CA

TOTAL SQ. FT - 16,000
